**PLIURA INTERVENORS**  
**MOTION TO SUPPLEMENT THE 07-0446 RECORD BY**  
**INCLUDING THE RECORD FROM 13-0446**

NOW COME the Intervenor herein who throughout these proceedings for convenience purposes have been identified as “Pliura Intervenor”, by and through their mutual counsel, Thomas J. Pliura, M.D., J.D., and respectfully move the Honorable Administrative Law Judge for an Order supplementing the Administrative Record herein by including the entire administrative record of the proceedings in ICC Docket 13-0446 as well as the entire Administrative Record from the 07-0446 proceedings prior to reopening. In support of said motion, Intervenor respectfully state:

1. The instant proceeding began as a petition for Certificate in Good Standing and request for Eminent Domain authority, docketed as 07-0446.
2. The Final Order in 07-0446 granted a certificate in good standing to construct, operate and maintain a 36-inch liquid petroleum pipeline to be operated as a common carrier. Eminent Domain authority was denied but with leave to seek such authority in a subsequent proceeding if necessary.

3. After a lengthy delay due to the “great recession” Applicant subsequently filed a new petition for Eminent Domain Authority to acquire the rights-of-way necessary to construct the 36-inch pipeline approved in the 07-0446 final order.
4. That application was approved and is presently on appeal.
5. Applicant then filed a motion to reopen the 07-0446 proceedings and motion to amend the Final Order to permit it to change the diameter of the approved pipeline from 36 inches to 24 inches to match its actual project plans. That matter, docketed as 07-0446 (reopened) is the instant proceeding and remains pending.
6. Irrespective of the outcome of the instant proceedings, an appeal is likely.
7. In order for the Appellate Court to have before it the full record of these proceedings and to understand the nature of these unusual, if not unprecedented proceedings before the Commission, it is necessary for the Record in the instant proceeding to include the entire record of administrative proceedings in 07-0446 and 13-0446.

WHEREFORE, Pliura Intervenors respectfully pray for an Order supplementing the Administrative Record herein by including the entire administrative record of the proceedings in ICC Docket 13-0446 as well as the entire Administrative Record from the 07-0446 proceedings prior to reopening.

Respectfully submitted this 2nd Day of October, 2014.
